WELCOME TO J P ENGITECH

We are professional Mechanical Engineering Goods Manufacturers for Mechanical Spares Industry End Users. We expertise in a comprehensive and competitive engineering service to Dairy, OEM, Chemical, Pharma, Mining & general industry within India & Exports.

A number of the staff has been employed with the company for many years and all trades are supported by a highly qualified, professional management team.

J P Engitech, viz Head office and Mechanical workshops are in prime location (Makarpura GIDC and Por workshop @Vadodara) to provide Complete Mechanical Engineering Solution. All workshops are well equipped with facilities for heavy & precious machining, fabrication projects, Base plates, plant and general maintenance, structural steel & plate fabrication (Por facility having 15000 sq ft with 8000 sq.ft OHC cap. 10T). The success of the business is in its highly flexible workforce with no demarcation between trades.

Manufacturing Machine Parts

- Custom Flanges
- Shaft & Coupling
- Gear & Timing Pulley
- Harden Bush

Fabrication Assemblies

- Platform + Stainer Tank
- Trolley + Oil Cooler Trolley
- Machine Guard
- Beam Assembly

JP ENGITECH

MECHANICAL SERVICES UNDER
JP ENGITECH ROOF

Maintenance & Repairing

- Shaft repairing
- Bearing Housing
- Sprocket Keyway Flange Replacement
- Other Plant Maintenance

Precision Heavy Assembly

- Mold Assembly
- Hydraulics & Pneumatics Assembly
- Foundation Base Plates
- Linear / Bench / Rotary Assemblies

Re-Engineering & Development

- Fixture Development
- Part Development
- Detailed Reverse Engineering
- On-site Measurements

OUR WORKSHOP

Our workshop is equipped with following machines

- Double Column VMC
 1. 3200 X 2200
 2. 2800 X 1200
- CNC Turning Centre (4 NOS)
 1. Dia 200 x 500
 2. Dia 250 x 1200
- Single Column VMC with Rotary Table
 1. 1050 x 500
- DRO Milling Machines
- Conventional Lathe Machines
- Welding Machines (Arc / argon)
- Grinding Machine
- Robotic Arm Tapping Machine
- Rockwell Hardness Tester
- Precise Digital Measuring Equipment
- Other necessary equipment
